

ESSAY TWO

Please view Tom Shannon's presentation on his unique sculptural ideas at http://www.ted.com/talks/lang/eng/tom_shannon_s_magnetic_sculpture.html. Please write a short paper that discusses the subject matter of Shannon's work and how his works frame that subject matter. Please do not use any other supporting resources about Shannon's work. Do not refer to other websites or the bio available at the site that houses the video. Do use compelling language to describe Shannon's work and the thought process that supports it. The video is only 15 minutes in duration. Please use all of it in forming your paper.
